Re: In re Adelpia Communications Corp., et
 al., Case No. 02-41729 (REG)

Dear Marc:

As you know, we have been retained by the Ad Hoc Committee of Arahova Noteholders (the "Arahova Noteholders Committee") in connection with the above referenced Chapter 11 cases. On June 24, 2005, Willkie Farr & Gallagher filed a Motion for Order in Aid of Confirmation, Pursuant to Sections 105(a) and 105(d) of the Bankruptcy Code, Establishing Pre-Confirmation Process to Resolve Certain Inter-Creditor Issues (the "Motion"), purportedly on behalf of all "Debtors." As you know, the Arahova Noteholders Committee has raised concerns whether certain actions taken on behalf of "Debtors" were in fact in the best interest of Arahova Communications, Inc. ("Arahova"). Accordingly, we ask that you identify in writing, by no later than Friday, July 8, 2005, the identity of the person or persons at Arahova who proposed or agreed to the procedures suggested in the Motion and provide an explanation why such person or persons believed the procedures were in the best interest of Arahova.

Thank you in advance for your prompt response.

Sincerely,

J. Christopher Shore
