TENTH POST-CONFIRMATION STATUS REPORT

This Tenth Post-Confirmation Status Report is filed in accordance with the Post Confirmation Order and Notice, dated February 13, 2007 (the "Effective Date"), in connection with the cases of the above-captioned reorganized debtors (collectively, the "Debtors"). Since the filing of the Ninth Post-Confirmation Status Report on April 15, 2009 for Adelphia Communications Corporation and Certain of its Affiliated Debtors, describing the Debtors' progress subsequent to the confirmation of the First Modified Fifth Amended Joint Chapter 11 Plan for Adelphia Communications Corporation and Certain of its Affiliated Debtors, dated as of January 3, 2007, as Confirmed (the "Plan"),¹ for each of the Debtors other than the JV Debtors² by the order dated January 5, 2007 (the "Confirmation Order"), the Debtors, as reorganized pursuant to the Plan, have taken the following steps, among others, in connection with consummation of the Plan.

- Made a distribution on Resolved Claims per the Twenty-Ninth Supplemental Claims Order. Obtained bankruptcy court approval for the settlement stipulation with North Carolina Department of Revenue. Thirty-one Disputed Claims have yet to be resolved³.
- On April 22, 2009 Adelphia and an unrelated third party ("Buyer") completed certain tasks including the execution of an asset purchase agreement ("APA") for all of Adelphia's Brazilian cable interests by the Buyer. As a result, Adelphia has retained a \$3.0 million deposit made by the Buyer on March 31, 2009 and together Adelphia and the Buyer are awaiting Brazilian regulatory approval to close on the APA (the "Closing"). Upon Closing, Adelphia will retain a 25% equity interest in the new enterprise that can be put to the Buyers for R\$14.7 million (Brazilian Reais) four years after the Closing. The Buyer's obligation to pay Adelphia upon the exercise of the put will be secured by \$7.0 million of cash or an unconditional letter of credit in that amount. The Buyer intends to provide the new enterprise with R\$10.5 million of new equity and R\$4.2 million of new debt without diluting Adelphia's 25% equity interest. If the Buyer fails to provide the aforementioned equity and debt infusions within two years of the Closing, Adelphia's option to put its 25% equity interest to the Buyer accelerates from four years after the Closing to two years after the Closing.

¹ Capitalized terms used but not defined have the meanings ascribed to such terms in the Plan.

² The JV Debtors are comprised of the following legal entities: Century-TCI California, L.P.; Century-TCI California Communications, L.P.; Century-TCI Distribution Company, LLC; Century-TCI Holdings, LLC; Parnassos Communications, L.P.; Parnassos Distribution Company I, LLC; Parnassos Distribution Company II, LLC; Parnassos, L.P.; Parnassos Holdings, LLC; Western NY Cablevision, L.P. The Third Modified Fourth Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code for the Century-TCI Debtors and Parnassos Debtors, dated as of June 28, 2006, was confirmed by order dated June 29, 2006.

³ This estimated total excludes certain Disputed pre-petition Bank Claims.

	<u>Cash</u>	<u>Stock</u> ^(a)	<u>Total</u>

Fractional share information is provided in this chart to facilitate the calculation of recoveries for claims.												
[2]	Recent recovery per \$1,000 principal amount is calculated based on the recalculated Deemed Value of the TWC Class A Common Stock of \$37.8038 per share as calculated at the end of the 60-day test period established in the Plan through March 11, 2009. Effective March 12, 2009, the Deemed Value was adjusted from \$37.8038 to \$52.6014 to reflect the TWC 1-6v-3 reverse stock split and the \$10.27 per share special cash dividend.												
[3]	Principal amount includes secured proportion interest where applicable.												
[4]	ESL Claims are not quantified, but are believed to be significant. ACC Common Stock Interest are not limited as to recovery.												
[5]	Based on liquidation preference.												
[6]	Because this chart is designed to depict, among other things, the distribution deficiencies between and among CVV interest classes, the basis of presentation of information in this chart differs from the basis of presentation utilized in prior disclosures regarding distributions to creditors; accordingly, recovery percentages and other information may not be comparable to information set forth in such prior disclosures.												
[7]	Does not reflect the actual of post-effective Date dividends with respect to CVV interests.												
[8]	Distributions pursuant to the Plan may not exceed the allowed amount of a claim. To the extent that cash and TWC Class A Common Stock otherwise would be paid to the holders of ACC Senior Notes Claims in excess of the allowed amount of their Claims, such amounts, instead, are allocated to holders of ACC Subordinated Notes Claims (The Spillover). However, by virtue of the "pay-over" provisions contained in the Subordinated Indentures which "pay-over" provisions are expressly preserved by the Plan, the Spillover is paid to the holders of the ACC Senior Notes.
